

# **Bass Bug Accuracy**

## **Model TF 1089**

This blank is designed to cast a standard belly WF 9 floating line. It has a taper between medium and fast and is moderate in stiffness. There is no special configuration for tournament application, however some may prefer not to use a fighting butt extension, commonly used on fly rods of this size for fishing.

### **GUIDE PLACEMENT FROM TIP:**

Tip; 4; 9; 15; 22; 29 1/2; 37 1/4; 45 1/4; 54 3/4; 63 3/4; 73 1/4
