

*“I have been casting for close to 60 years and the winds at this tournament were the worst I have EVER cast in.*

*They made Chicago THE WINDY CITY seem like a calm day on the trout pond.*

*The winds were well over 25 to 30 MPH with gust even greater.*

*That is for the accuracy. For the distance it was rain, 100+ humidity and about 55 degrees.”*

*John Seroczynski*
